Applicable Law; Definitions

All sales of Yale branded goods ("Goods") shall be governed by the laws of the State of Connecticut, including the Uniform Commercial Code as in effect in Connecticut on the date of sale (the "Code"). Whenever a term defined by the Code is used in these Terms and Conditions of Sale, the definition contained in the Code shall apply here. The purchaser of the Goods agrees that any proceeding brought in connection with the purchase of the Goods shall be brought in any court of competent jurisdiction in Connecticut.

Purchase Price

The purchase price of the Goods is subject to change without notice, and the prices prevailing at the time the Goods are shipped by Yale shall apply unless Yale has agreed in writing to a different price or has given a prior written quotation which constitutes a firm offer. Yale does not guarantee that the price, terms and conditions for reorders of the Goods will be the same as contained in the Yale Price List. Rebates or refunds for Goods that represent dealer stock on hand or for Goods already shipped by Yale will not be given due to any price reduction. The purchase price for any Goods purchased shall be due as and when specified in the invoice covering such Goods. Title to the Goods shall not pass to purchaser until full payment for the Goods is made to Yale.

Binding for all Purchases

All orders, whether solicited or written by our representatives or delivered by you are deemed offers by you to purchase our products. Our acceptance of each such offer is expressly subject to and conditioned on your assent to the Terms and Conditions of Sale contained herein (assent may be deemed to occur if we do not receive a written objection or retraction of such offer within 48 hours after you receive our confirmation of receipt of such offer). No other terms or conditions shall apply.

Prices and Minimum Charges

All prices are subject to change without notice. Prices prevailing at commencement of shipment apply. Regardless of whether ordered for job shipments or for stock. Only orders in excess of \$1500 net are shipped freight prepaid. Due to the expense involved in entering, handling, packaging, shipping and charging, orders of low value will still be accepted yet are assessed as follows:

Orders Shipped from Guadalajara, Mx. (YH Collection®, New Traditions®)

- Orders of less than \$1500 net are subject to a freight/handling charge of \$100.

No orders of less than \$250 will be accepted as a factory order.

Orders Shipped from Berlin, CT.

- See Yale® QuickShip™ rules, page 9.

Additional charges may apply for expedited shipping, "project packing", special labeling, or special shipping instructions.

Payment

Standard sales terms are 2/10 net 30. The 2.0% discount only applies for invoices paid in full within 10 days of invoice date. Invoices not paid in full within 30 days of invoice date shall incur a service charge of 1.5% per month for each month or fraction thereof (or the maximum rate permitted by law) until paid in full. All delinquent accounts are subject to credit hold.

Freight

All products are invoiced FOB our factory in Guadalajara, MX. or Berlin, CT. Title and risk of loss and damage pass to you upon our transfer of product to carrier. We pay freight charges only on orders in excess of \$1500 net to a single continental U.S. destination by a carrier and routing of our choice. (See Prices and Minimum Charges above.) You will be invoiced and agree to pay all higher freight charges for extra destinations and for special carrier(s) designated by you. Shipping schedules are estimated only and cannot be guaranteed. We are not liable for any delays in shipments.

Discrepancies must be noted with carrier upon receipt as they are your responsibility to claim.

Minimum Annual Purchase Requirement

We may discontinue direct sales to you if you do not meet the minimum annual purchase requirement (currently \$10,000), based on total accepted, shipped and non-canceled orders within each calendar year.

HOW TO DETERMINE HANDING OF DOORS

- The handing of a door is always determined by facing the exterior of a door.
- If the hinge is on the left side of the door, the door is left handed (LH).
- If the hinge is on the right side of the door, the door is right handed (RH).
- To order a handed product, specify LH or RH. Not all products are handed; only specify handing when required.

Contractors will appreciate our ongoing focus on builder functionality with these finely designed ANSI Grade 2 YH Collection deadbolts. The Premier Deadbolt “face-removable” design provides easy access to the solid brass cylinder without having to remove the deadbolt from the door. This is a significant benefit to multi-family and multi-unit projects commonly requiring re-keying. The Select Deadbolt offers ANSI Grade 2 strength and security with standard access to the cylinder.

HOW TO DETERMINE HANDING OF DOORS

- The handing of a door is always determined by facing the exterior of a door.
 - If the hinge is on the left side of the door, the door is left handed (LH).
 - If the hinge is on the right side of the door, the door is right handed (RH).
 - To order a handed product, specify LH or RH.
- Not all products are handed; only specify handing when required.
